The holding overlay only applies to a hotel or a day care centre. All other permitted uses are not subject to the holding overlay. Prior to the removal of the holding overlay, the following conditions must be addressed to the satisfaction of the City.

(a) The submission of a satisfactory noise impact study prepared by a qualified person as defined by the city and completed to the satisfaction of the City and which adheres to all applicable municipal and provincial requirements.

Location Overview

Kingston East

Kingston, Ontario's east end is a vibrant, up-and-coming area that blends residential charm with growing commercial appeal. Known for its family-friendly neighborhoods, parks, and close-knit community feel. With ongoing residential developments, improved infrastructure, including the completion of the Waaban Crossing Bridge connecting Kingston's east and west ends, the mix of local businesses, the area is attracting new residents and businesses alike. The east end's affordable housing, schools, and community-oriented spaces make it an ideal location for families and entrepreneurs looking for a blend of opportunity and quality of life.

St. Lawrence Business Park

The St. Lawrence Business Park in Kingston's east end is a key commercial and industrial hub designed to support businesses of all sizes with modern infrastructure and ample space for growth. Located close to Highway 401 and major transportation routes, the business park is ideally situated for companies needing easy access for logistics and distribution. It offers a mix of light industrial, commercial, and office spaces, making it suitable for a wide range of industries, from manufacturing and warehousing to tech startups and professional services. With the nearby residential growth in Kingston's east end, the St. Lawrence Business Park not only provides proximity to a local workforce but also fosters a sense of community engagement and economic growth, making it a valuable asset for the city and its business landscape.
